

We are putting together the 2010-2011 student telephone directory. To make sure that the information is up-to-date and correct, please complete this form & return to the office on the first day of school (Wednesday, September 8th). PLEASE PUT ALL INFORMATION YOU WANT LISTED IN THE DIRECTORY ON THIS FORM (and don't include any numbers that you only want the office to use – those need to be on emergency forms).

If home phone & addresses are the same for both parents, you only need to fill out one and write SAME on the other.

Please note if your information will be changing in the near future and notify the office immediately of any changes in contact information.

Thank You!
