### **About The Mountain School at Winhall:**

The Mountain School at Winhall opened in 1998 and serves students in the Winhall and Stratton communities as well as surrounding towns in Southern Vermont. As an independent day school serving primarily towns with non-operating schools we serve a diverse socio-economic community with the majority of our students receiving town tuition. The Mountain School at Winhall is dedicated to serving as many families in our surrounding community while also maintaining an intimate close knit community. We serve approximately 50 students in grades K-6 and offer a full Special Education program, STEAM

program, and Health and Fitness education. Our campus boasts ample spaces for outdoor learning including a 4-season greenhouse, forest classroom, fields, two playgrounds, additional outdoor classroom space, and a pavilion which the students eat lunch in during the fall and spring.

We embrace the outdoors and believe that nature and Vermont as a whole are part of our classroom. We strive to build strong family/school partnerships and create a learning environment where each student is able to thrive.
